Learning (SAIL) Presents!

Daring to Care: Diverse Perspectives on End-of-Life Planning and Decision Making

Dr. Aparna Gupta

Vice President of Quality, National Hospice & Palliative Care Organization

Friday, March 1, 2024

1:00pm-2:00pm

McNeill Hall, 1005

Join us at the highly anticipated guest speaker Dr. Aparna Gupta! Dr. Gupta is a board-certified nurse practitioner with more than 20 years of health care leadership experience spanning quality improvement, health care operations, executive, leadership acute care, aging, complex disease management, clinical services, and implementation of Centers for Medicare & Medicaid Services (CMS) programs.

Approximately 1.5 million Americans access Medicare Hospice and Palliative Care benefits annually. Yet, significant disparities exist in diverse populations in accessing these care services. Gupta helps attendees understand hospice and palliative care through the lens of diversity, equity, and inclusion (DEI) and aims to break down barriers through knowledge sharing, data collection, and collaborative discussion.
